First Three Modules in the Aquifer Oral Presentation Skills course

Due: Tuesday, September 20, 5:00 PM

You will receive an email from Aquifer about completing your registration. Follow those instructions. You'll end up logging into Aquifer. Look for a course labeled Texas Tech University Health Sciences Center, then called 2023_MSCI6109_P3/DOCS. Complete the first three modules:

- Oral Presentation Skills 01: Introduction and Primer
- Oral Presentation Skills 02: What is Pertinent
- Oral Presentation Skills 03: Assessment and Plan Exercise

Aquifer will provide a report on student completion of the modules and how much time spent on each. Module 4 is optional and recommended, but not required. Completing the first three modules should take about 30 minutes.

Writing Portfolio Assignment

Due: Tuesday, September 20, 5:00 PM

Instructions are on Sakai (assignments section) and in the Student Packet for Wednesday small group on Sakai (Course Content> P3> P3 Small Groups> September 21)

1. Upload a copy into the Sakai Assignment
2. E-mail a copy to all of your P3 small group facilitators

P3-2 September Small Group

Due: Wednesday, September 21, 10:00 AM

Session Prep, in addition to the writing portfolio described above:

1. Read the materials in the Student Packet on Sakai (Lessons>P3> P3 Small Groups> September 21) and come prepared for class participation and discussion.
2. Don't forget that we will also be taking class and group portraits before the small group session.

DOCS Simulation

Due: Wednesday, September 21; Scheduled at 1:00, 2:00, 3:00, or 4:00

SOAP Notes Due: Sunday, September 25, 10:00 PM

Peer Review Due: Tuesday, October 4, 5:00 PM

Instructions are on Sakai (Course Content> DOCS> DOCS2 Sessions > DOCS2 Simulation Activity)

1. Check the document DOCS2Sim22_Student Role Assignments.pdf to see which role you have been given (by a random drawing). The document is organized by small group number.
2. If you have been assigned to be the Patient or Family Members, additional materials will be emailed to you.
3. If you have been assigned to be the Student Doctor, you will be given instructions at the beginning of the simulation; similar to an OSCE.
4. If you have been assigned to be a DDXer, bring your laptop. Details will be provided.
5. After the simulation, write a SOAP Note to document the encounter. Using Chrome or Firefox, upload your note into ExamSoft, following the process used for other DOCS notes. The ExamSoft upload is due Sunday, September 25 (<https://ei.examsoft.com/GKWeb/login/ttuhsced>)
6. You will be prompted to complete a peer review of another student's note. Your peer review is due Tuesday, October 4.
