

Grace Florez

What are you doing here today?

0:06

We're learning about how like if we want to be a doctor in and about how about the body and stuff.

What are some of the things you learned today?

0:20

About the ultrasound, the heart and about the muscles and the veins.

What was your favorite part?

0:32

I like the part where about the ultrasound. I like it because it was interesting and it made me like feel it like think about if I want to be a nurse or a doctor.

Do you feel like being a doctor or nurse is something you want to do and why?

0:47

A nurse like for children because I want to help children like for them to grow up.
